Dear Potential Partner,

The Kilmore Football Netball Club, one of the most proud, professional and respected clubs in the Northern Football League, invites you to assist the club for the upcoming 2016 Season.

Local football netball clubs play an important role in the community, contributing to community identity, sense of place and social interaction as they continue to provide a place for families and friends to spend time together over a shared passion for the game.

Sponsorship is vitally important for the future viability of our Community based Club. Without it, our club would certainly not survive.

We would like to take this opportunity to introduce our 2016 Player Sponsorship Package.

The Kilmore Football Netball Club is proud to offer its Player Sponsorship Package for Season 2016. (Please find on the attached flyer the details of becoming a 'player sponsor')

By sponsoring a player, you will assist in providing greater resources towards their development.

Example of these areas include; Purchasing of training gear/equipment and Development and Mentoring Programs to assist our young players to become leaders and stronger role models not only within our club but to the local community of which they represent.

The Kilmore Football Netball Club would like to thank-you for considering becoming a sponsor and look forward to the possibility of working with you in the near future.

Sincerely

The Kilmore Football Netball Club
